

The  
United  
States  
of  
America

**The Director of the United States  
Patent and Trademark Office**

*Has received an application for a new, original, and ornamental design for an article of manufacture. The title and description of the design are enclosed. The requirements of law have been complied with, and it has been determined that a patent on the design shall be granted under the law.*

*Therefore, this*

**United States Patent**

*Grants to the person(s) having title to this patent the right to exclude others from making, using, offering for sale, or selling the design throughout the United States of America, or importing the design into the United States of America for the term of fourteen years from the date of grant of this patent.*

A handwritten signature in black ink, reading "Jon W. I. Dudas". The signature is fluid and cursive, with the first letters of each name being capitalized and prominent.
